below.

15.1 Should a player, coach or spectator be sent from the field (verbally or by a red card) BEFORE OR DURING a game, they will be suspended from the remainder of that game and the next subsequent game actually played. Should a player, coach or spectator be sent from the field for a second time during the Area playoffs, they will be suspended from the remainder of that game and two subsequent games actually played. Should a player, coach or spectator be sent from the field for a third time during the Area playoffs, they will be suspended from the remainder of that game and three subsequent games actually played.

15.2 If a player, coach or spectator is sent from the field (verbally or by a red card) FOLLOWING a game, they will be suspended for the next two subsequent games actually played. Should a player, coach or spectator be sent from the field following a game for a second time during the Area playoffs, they will be suspended from their next three subsequent games actually played. Should a player, coach or spectator be sent from the field following a game for a third time during the Area playoffs, they will be suspended from their next four subsequent games actually played.

15.3 If a player, coach or spectator has a game, or multi-game, suspension remaining at the end of the Region's season, that player, coach or spectator must sit out any actually played Region or Area playoff games, post-season games and/or tournament games until the game(s) suspension(s) has (have) been completed. If a player, coach or spectator has a game, or multi-game, suspension remaining from a Section playoff game, post-season game and/or tournament game, that player, coach or spectator must sit out the next actually played playoff game(s), post-season game(s) and/or tournament game(s) until the game(s) suspension has (have) been completed.

15.4 After a player, coach or spectator is sent from the field, the referee MAY SUSPEND the game until that person has COMPLETELY left the area (out of sight and sound). The suspended player, coach or spectator is NOT ALLOWED to return to the field after the game is finished, nor is that person allowed to be present at the team's next played game or games depending on the length of their suspension (do not come to the field -stay at home!).

Suspended players not accompanied by a parent will remain with their team, but separated from teammates, remain completely quiet and not participate in any post game activities (celebrations, handshakes, etc.). The enforcement of these requirements will be the responsibility of the coach.

During Area F playoffs players, coaches and spectators who are suspended by the AD pursuant to the provisions of paragraphs 15.6, 15.7 or 15.8 below are not permitted to attend any AYSO game or other AYSO event during the term of such suspension. Should a suspended player, coach or spectator violated the "out of sight and sound" requirement during or after the game for which they were suspended, or during any part of the time they were suspended, a minimum of **one additional game of "out of sight and sound" shall be added to the discipline requirement.** In addition, during the Area F playoffs at the discretion of the referee or AD, should the player, coach or spectator continue to violate the "out of sight and sound" requirement, the game may be suspended and after a reasonable time, terminated.

15.6 AYSO and Area F disapprove of any form of abusive language, which is intended or designed to embarrass, ridicule or demean others under any circumstances including on the basis of race, religion, gender or national origin. Players, coaches or spectators who resort to this behavior will be sent from the field (receive a red card). This applies from the time the person arrives until the person leaves the playing campus, which includes the parking area.

15.7 In addition to the automatic penalties imposed in paragraphs 15.1, 15.2 and 15.4, persons sent from the field (receive a red card) for conduct contrary to AYSO philosophy occurring before, during or after a game may be suspended or expelled from further AYSO participation for an additional period of time pursuant to the provisions in this paragraph. In such circumstances, the game referees shall prepare an incident report and shall submit such report to the AD and ARA for Area F playoffs offenses.

The AD shall review the report and determine in his/her sole discretion whether sanctions in addition to those provided in paragraphs 15.1, 15.2 and/or 15.4 shall be imposed on such person. Prior to imposing such sanctions, the AD may, at their option, determine to convene a Due Process Review Board as described herein. In such cases where the AD determines to impose additional sanctions on the affected person without convening a Due Process Review Board, the affected person may also request that a Due Process Review Board be convened.

If a Due Process Review Board is convened, the Due Process Review Board shall be made up of three or more neutral area volunteers appointed by the AD for Area F playoffs offenses. The date of the hearing will be set by the AD after considering the availability of the hearing board members, the game referee(s) and other witnesses. The Due Process Review Board will review all evidence related to the incident, although the referee(s) report and event information will be the primary evidence used by the Due Process Review Board. Based on its review of the information submitted, the Due Process Review Board shall recommend to the AD any additional discipline that they feel is appropriate as a result of the incident. The AD for Area F playoffs or RC for secondary season play, however, has the sole discretion to make the final decision regarding any such additional disciplinary action. In all cases, persons subject to the provisions of this paragraph shall be suspended from further AYSO participation until the AD has rendered a final decision (with or without a Due Process Review Board) AND the person has satisfied all obligations imposed by the AD.
